COVID-RELATED MANDATORY REQUIREMENTS FOR FOREIGN STUDENTS COMING TO PISA (TUSCANY)

For students coming from several foreign countries it is mandatory to undergo a 14-day period of fiduciary isolation/health surveillance and to notify their entry into the Italian national borders to the Prevention Department of the Local Health Agency - Azienda Sanitaria USL Toscana Sud (Dipartimento di Prevenzione dell’Azienda Sanitaria USL Toscana Sud), filling in the form available at:

https://www.prevenzionecollettiva.toscana.it/welcome/pages/segnalazione_estero.html#1

Domicile address and phone number shall be provided, along with all information needed to be promptly traced.

Students under the above conditions will be allowed to the University premises only upon self-certification of the compliance with the fiduciary isolation/health surveillance period or any other restrictive and precautionary measure (i.e. nasopharyngeal swab) as required by the competent Health Authorities.

At present time, according to the Ministry of Foreign Affairs, 6 groups of countries have to undergo specific restrictions (see https://www.esteri.it/mae/it/ministero/normativaonline/decreto-iorrestoacasa-domande-frequenti/focus-cittadini-italiani-in-rientro-dall-estero-e-cittadini-stranieri-in-italia.html).

As the restriction measures may utterly change, please remember to periodically check the website
